The school year has begun and is now in full swing!

This year, the Ontario Institute for Education Leadership (IEL) is pleased to provide a variety of incredible resources for Principals and Vice-Principals.

As you know, IEL is a bilingual organization that includes representatives from Principals' and Supervisory Officers' associations, Ontario Association of Senior Business Officials (OASBO), Council of Directors of Education and the Ministry of Education. With this in mind, IEL's direction this year focuses on influencing and supporting provincial program and policy development and implementation of the *Ontario Leadership Strategy (OLS)* and the *Ontario Leadership Framework (OLF)* through a collaborative network of Ministry and professional associations of school and system leaders in the interests of student achievement and well-being.

The refreshed [IEL website](#) presents research publications and resources that districts are invited to download to support professional learning at the school and system levels. In particular, IEL's website offers organizations user-friendly tools to conduct their own professional inquiries.

These include:

- [The Ontario Leadership Framework \(OLF\)](#)
- [Strong Districts and Their Leadership](#) (modules and case studies)
- [Personal Leadership Resources \(PLRs\)](#) (speakers list, case studies and interview questions)
- [Self-Assessment Tools](#) (interactive and PDF resources for school and system leaders for assessing leadership practices and identifying areas for growth)
- [APPLIKI](#) (a comprehensive search engine, which offers a wealth of resources for school and system leaders)
- [Leading Safe and Accepting Schools](#) (tools that will support districts in ensuring a safe, inclusive and accepting learning environment for student achievement and well-being)

In addition, we encourage you to visit [IEL's website](#) for other publications and research studies, including *Ideas Into Action*, *Principals Want to Know*, *In Conversation*, *Leadership for Learning*, *Leader as Coach*, *Transition to the Role of Principal and Vice-principal* and *French-language Education in Ontario*.
